Referenced Bureau airtel states that "...The Department, in connection with efforts to develop a prosecutive theory against the BPP for the violation of security statutes, has previously requested this Bureau to develop evidence regarding documents of the BPP which urge its revolutionary doctrines and to also develop evidence showing a cohesion or unity between national headquarters of the BPP and its chapters and affiliates.

"Information regarding the shipment of BPP newspapers and other publications falls within the above categories and it is essential that every effort is made to develop full and complete details concerning such shipments. This should include not only the ascertaining of information contained on shipping papers and invoices but; whenever possible through established sources, the confirmation of exactly what is included in the shipment.

"It is anticipated that in the event of prosecution of the BPP, it may be extremely important to be able to conclusively prove that a specific BPP publication containing revolutionary doctrines was in fact shipped by the BPP to various BPP members and/or supporters. Accordingly, it is essential that this Bureau develop evidence of this nature in order to support possible prosecution of the BPP..."

San Francisco does not desire an answer to this communication. Information that is developed concerning instant shipment should be made a matter of record and included in your next BPP report and/or any other appropriate communication.

winston-Salem, North Carolina. Said that Winston-Salem had received 1800 the previous week, but had not been able to sell them so they were only asking for 1,000 lon the current issue. Wondered what the problems were and said the weather had been bad and when it got cold, the people just did not go out to sell. Indicated that Winston-Salem did not have any telephone, but if anyone wished to get in touch with the brothers, they should call a place across the street at 919- and ask for the Party members.

not let the weather stop the selling of the newspaper, and agreed with everything that had to say. wanted to know why was in New York and denied he was there for "discipline" reasons. He declined however to talk about his reasons on the telephone, claiming he had been there for two weeks.

commented about the selling of newspapers in Winston-Salem and said the brothers had gone to one white campus where they had had good luck selling newspapers and to a black campus where they had poor luck, having been run off by the students every time they tried to sell papers.

Carolina had to go to check out SAM GILLIAM in Atlanta, Georgia and report back to headquarters as to his findings

The above material is furnished to the offices indicated for their information at this time.

From the tenor of the conversation, it would appear that the individual known as was only temporarily in New York and intended to return to Winston-Salem in the future.

Paleigh, North Carolina, possibly from Shaw University, will go to the Convention. During the meeting LARRY LITTLE, of the Winston-Salem BPP group, mentioned that the Convention is supposed to be held at Howard University, Washington. D. C., however, the university administration has not definitely given permission.

On November 19, 1970,

Chapel Hill, advised that he had observed CLINT PYNE at the meeting at UNC, Chapel Hill, on the night of November 9, 1970, and on November 20, 1970, advised that he observed forty to fifty "hippie types" meeting at one corner of Memorial Hall under the leadership of John Wheeler. Pyne was present, however, WHEELER was furnishing the group information about the Revolutionary People's Constitutional Convention such as, where to stay, arrangements for food, transportation, and so forth.

Characterizations of RPP and Venceremos Brigade are attached as appendices to this memorandum.

BLACK PANTHER PARTY (BPP), also known as Black Panther Party for Self-Defense

According to the official newspaper of the BPP. the BPP was started during December 1966 in Oakland, California, to organize black people so they can take control of the life, politics, and the destiny of the black community. It was organized by BOBBY G. SEALE, BPP Chairman, and HUEY P. NEWTON, Minister of Defense, BPP.

The official newspaper, called "The Black Panther," regularly states that the BPP advocates the use of guns and guerrilla tactics in its revolutionary program to end oppression of the black people. Residents of the black community are urged to arm themselves against the police who are consistently referred to as "pigs" who should be killed.

The newspaper, in its issue of September 7, 1968, had an article by the then Minister of Education, GEORGE MURRAY. This article ended with the following:

"Black men. Black people, colored persons of America, revolt everywhere! Arm yourselves. The only culture worth keeping is revolutionary culture. Change. Freedom everywhere. Dynamite! Black power. Use the gun. Kill the pigs everywhere."

The BPP newspaper, issue of October 5, 1968, had an article introduced with the following statement: "We will not dissent from American government. We will overthrow it."

DAVID HILLIARD, Chief of Staff, BPP, in a speech at the San Francisco Polo Field on November 15, 1969, said "We will kill Richard Nixon."

DAVID HILLIARD, in the "New York Times," issue of December 13, 1969, was quoted as follows: "We advocate the very direct overthrow of the government by way of force and violence."

In the issue of April 25, 1970, the BPP newspaper had an article by Minister of Culture EMORY DOUGLAS as follows:

"The only way to make this racist US government administer justice to the people it is oppressing, is...by taking up arms against this government, killing the officials, until the reactionary forces...are dead, and those that are left turn their weapons on their superiors, thereby passing revolutionary judgement against the number one enemy of all mankind, the racist U.S. government."

The BPP Headquarters is located at 1046 Peralta Street, Oakland, California. Branches of the BPP, and Committees to Combat Fascism, under control of the BPP, have been established in various locations in the USA.

APPENDIX

VENCEPEMOS BRIGADE

The Venceremos Brigade (VB) has been publicly described as a group of American volunteers traveling to Cuba, at the invitation of the Cuban Government, to assist in the harvesting of sugar cane.

The VB, organized in June, 1969, by a coalition of the New Left in open deriance of the United States Department of State ban on travel to Cuba, has already sponsored two contingents to Cuba. One group of over 200 Americans traveled to Cuba via Mexico in November - December, 1969, for a stay of almost two months. The second group of over 500 Americans departed by Cubah vessel at St. John's, New Brunswick, Canada, on February 13, 1970, and returned on April 28, 1970.

Venceremos translated means "we will win," a slogan of the late Che Guevera, Cuban revolutionary leader.

In this regard on 10/29/70 at a meeting of the Urban Redevelopment Commission a group of Negroes claiming to be Panthers disrupted the meeting and later gunfire was directed at the building housing the Urban Redevelopment Commission. Shortly thereafter three Negro males were seized, one of whom was carrying a 30-30 caliber rifle.

The reason for the trip was to gain support for the Revolutionary Peoples Constitutional Convention (RPCC). During their travels, they visited the University of North Carolina at Chapel Hill and Johnson C. Smith University at Charlotte, North Carolina. According to these individuals indicated that permanent information centers were set up in the Fayetteville-Lumberton, North Carolina, area to support the convention.

"The Daily Tar Heel," a student newspaper of the University of North Carolina (UNC) at Chapel Hill, North Carolina, in its issue of November 8, 1970, contained an article under the caption, "Revolutionaries Meet Monday," which article sets forth that an organizational meeting to interest students and Chapel Hill residents in attending the RPCC will be held at 9 P.M., Monday in Room 202 of the Carolina Union. The article states the meeting is sponsored by the Radical Coalition which is composed of the New University Conference, Students for a Democratic Society and the Young Socialist Alliance, with the meeting called by JOHN/WHEELER, former graduate student of UNC.

advised that at Winston-Salem, North Carolina, the members of the Black Panther Party group are going out in the streets trying to sign up people to attend the RPCC, and at the present time approximately 250 people have indicated an interest. The BPP members are advising everyone that all expenses will be paid, however, had no information that the BPP group had either money or transportation arranged for these individuals.

On November 12, 1970, reported that on November 9, 1970, a meeting was held at the Student Union at UNC, Chapel Hill, North Carolina. Seventy-five to 100 people were present with only about 20 in attendance being black. CLINT PYNE was in charge of the meeting and identified himself as a White Panther Party (WPP) member. PYNE stated that he and JOHN (IAST NAME UNKNOWN) had been to Cuba within the past year to cut sugar cane. Most of the discussion at this meeting consisted of plans of the students to go to the RPCC to be held in Washington, D. C. It was mentioned that there would possibly be two bus loads from Chapel Hill who would travel to Washington, D. C. In addition, a number of students from

Raleigh, North Carolina, possibly from Shaw University, will go to the Convention. During the meeting LARRY LITTLE, of the Winston-Salem BPF group, mentioned that the Convention is supposed to be held at Howard University, Washington, D. C., however, the University administration has not definitely given permission.

On November 19, 1970,

Chapel Hill, North Carolina, advised that he had observed CLINT PYNE at the meeting at UNC, Chapel Hill, North Carolina, on the night of November 9, 1970, and on November 20, 1970, advised that he observed 40 to 50 "hippie types" meeting at one corner of Memorial Hall under the leadership of JOHN WHEELER. PYNE was present, however, WHEELER was furnishing the group information about the RFCC such as, where to stay, arrangements for tood, transportation, and so forth.

SOUTHERN CITY OF RACIST EXPLOITATION AND OPPRESSION

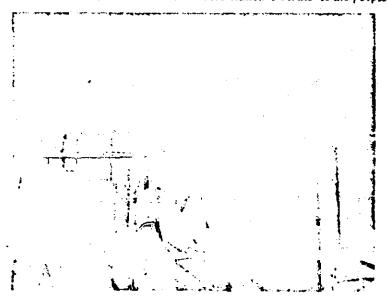

shanties have been standing since slavery

A new constitution is in order because these people, like millions upon millions throughout the United States, are the constant victims of this criminal UnitedStates Government. Babylonian ruling class criminals that use an illegal document called the U.S. Constitution to justify their illicit acts against the masses of people within the confines of Babylon, The present constitution states that every citizen has the right to life. 115erty, and the pursuit of happiness. Yet, as we survey the situation in Lumberton, N.C. we see avaricious businessmen that exploit the people from the stand-point of their labor and on the other end as consumers.

Rubber Company. Goodyear which is a company conceived out of economical exploitation domestically and internationally, has a plant in Lumberton, Burlington Mills, another product of U.S. imperialism also located one of its plants in Lumberton. These two industries of exploitation on an international level continue to reap enormous profits by booking up with the government, (Industrial-Military Complex), and exploiting the people of Lumberton. The government and these two industries have signed defense contracts. The industries provide rubber footfit for the shelter of human beings. The city is divided by a bridge that runs across a large creek that runs through the city. White people live on one side in good houses, with paved clean streets, and rolling green lawns. In nigger towa the streets are made of mud and the houses are nothing more than propped up shantles that have been standing since the days of old slavery. The houses are lo-

move on this problem richt away and lets broken sewer lines empty defecation into the Black community. Children in the Black community have to walk three to five miles across busy highways to get to the only available recreation. There are numerous bootleggers throughout the Black community where brothers and sisters go to drink whiskey to attempt to relieve some of the frustrations and pressures of their every day struggle to survive.

The pigs of Lumberton worked no longer than to 2:00 a.m., then all of them go home. They have the niggers in such a state of disillusionment that they don't even find it necessary to maintain all night surveillance on the Black community. The only time niggers run into the pigs is when they have gotten drunk and the pigs come to arrest them. If a brother or sister offers resistance of any kind the pigs immediately send them off to Dorothy Dix, a mental institution for the insane. The pigs do this without even allowing the people a trial, there is no such thing as due process of law. The pigs do this without any pretense. they blatantly violate the supposed constitutional rights of the people

cated in almost inaccessible places with

ware, army fatigues, underwear and sandbags among other things for an imperialistic army. Fort Bragg, and Camp Lejuene, two military installations, are close in distance to Lumberton.

Despite their astronomical profits, these two industries see fit to pay their employees a bare minimum wage of \$1.60 an hour, while at the same time pulling in millions. No matter how much the people increase production, they never receive any of the benefits of the fruits of their labor. Little racist farmers also exploit the people that work on their tobacco and cotton plintations. These racist farmers steal land from the people with the aid of state level, bigoted, politicians and pay them little or nothing for their labor.

Housing for Black people is not

that have paths leading up to their back doors through an overgrown and coal serve as fuel for cook-

ing and keeping warm when the freeze of winter rolls around. The government came into the community about a year ago with a jive urban renewal program (Nigger Removal). They brought a number of dilapidated shacks that still have the toilet on the outside of the house in the backyard. It has been more than a year since these houses were purchased from racist slumlards, but the people contime to live in them because they have no other place to go.

Foul smelling sewage stifles the community as it flows from the White community into the Black community. The city refuses to

One case in particular concerns brother Sam Williamson, Brother field that looks like a jungle, Wood Sam was arrested for public druckenness. The pigs tried to brutalize Sam at the pig pen but Sam resisted to the point that he jammed four pigs pretty good. The pigs, with their warped mentalities, called Sam an insane nigger and sent him to Dorothy Dix for 60 days, without him ever going to trial. At the time of his arrest, Sam was driving a 1969 car. When Brother Sam was finally released from the mental institution after serving his time, the pigs had sold his car and said they knew nothing of the car.

> There are some niggers, brothers and sisters, in Lumberton that have said, "enough is enough," we've come to the end of the road; no more can we bear this heavy load. They realize for Black poople, especially in Lumberton, that Hie, liberty, and the pursuit of happiness is nonexistent. They realize that instead the masses are plagued by misery, butger, and the pursuit of fascist dog pigs.

In recognizing their plight these brothers and sisters have vowed to mobilize the people of Lumberton, N.C., and get to the Rev- it olutionary Feople's Constitutional Convention to write a document that will guarantee all reople their human rights and assure them justice and peace from all reactionary elements of this decadent American society.

FASCISM AT CENTRAL HIGH SCHOOL

Malcolm said, "If George Washington didn't get independence for this country nonviolently and if Patrick Henry didn't come up with a nonviolent statement and you taught me to look upon them as patriots and heroes then its time for you to realize that I have studied your books well."

The school faculty at High Point Central High School is very runist. It all started at the beginning of the school year when brothers and sisters were trying to politically educate the students to the fact that they should be able to learn their true history and should be able to choose their own curriculum. They had been opposed in their efforts to get the curriculum they wanted by dog Jerry Shoavers the principal, Larry Medley, one of the brothers, trying teinitiate the change was approached and threatened by pig Shoavers, he was told that if he continued to try to politically educate the Black students, he would be thrown out of school. But this did not discourage the brother, because he is strong in his beliefs. Mer this incident Larry and two other bro-

thers (George Dewitt and William) Douglass), went to the office to talk to the principal about the crap that he was handing down. Their rap to the fool about getting Black studies was so strong that the principal called them Black Panthers. After seeing that he couldn't stop them, he moved to kick then out of school on trumped up charges. After the brothers were kicked out, a bootlicking guidance counselor told George that he should go to law school to become a lawyer, because he was a "heavy rapper". After the brothers were told to leave the school grounds, pig Shoavers had the Chief of the Pigs (Prichett) to follow them around like dogs; the excuse for this action was suspicion of them being Black Panthers. How can they be Panthers, when there are no Panthers in High Point?

So pigs, Shoavers and Prichett, harassed and intimidated the students of the school to try to get information on the brothers to see if they really were Black Panthers. One of the brothers who played football, Eugene, was

harassed by Prichett and the brother had to stop playing football. The brother is now planning to leave the school.

Shoaver's true fascist colors showed through once again by intimidating and harassing two sisters. The day before Dora and NeNe were expelled, Shoaver called Dora into his office and questioned her about her political beliefs. They were asked questions such as "Do you believe in the Panthers, What do you have to do bad to become a Panther, Are Larry and George Panthers, Why does your mother let Larry drive her car 7 etc.

This dog has been intimidating other students in the same manner asking them questions about Larry, George, Dora and NeNe, they are also threatening to put the students out of school if they don't answer. People! How many more students will you let Shoaver put out before you rise up and see justice done? The next persoa could be you.

PIG RESPONSIBLE FOR DEATH OF 15 YEAR OLD BROTHER

Early Saturday morning about :00 a.m. a 15 year old brother, dan "Snake" Dendy, was fatally rounded by an unknown assailant. in ambulance was called, but didn't rrive until about 1:30 a.m. When he ambulance finally arrived they clused to give the brother medcal attention and refused to take im to a hospital. The brother eas lying in the ditch breathing ery hard which was a clear inditation that he was still alive, but still the ambulance attendants relused to remove the brother from he street, let alone give him medical attention. The pigs were first to arrive on the scene, about 10 tarloads of the low natured dogs. instead of their taking brother "Snake" to the hospital or giving him medical attention, they swarmed through the crowd that had gathered asking questions and barassing brothers as they always

The people who were around the brother attempted to give the brother some attention, but their attempt was in vain. The foul traducers ordered the people to get back away from the brother. The racist ambulance attendants were simply standing around scratching their thick heads talking to one

another while brother "Snake" was nearing his death.

At the end of this time, which was about two hours, brother "Snake" was no longer breathing. Finally noticing the brother the fascist swine and the racist ambulance attendants went over and covered the brother with a sheet. The people asked them way did they refuse to move the brother until he was dead the pigs oinked as they had before; "We didn't have permission to move him." This is just another clear example for the people. The racist op pressors and their running dogs are waging an all out mass genocide against all poor and oppressed people in particular, All poor and oppressed people have no rights that the exploiting oppressors are bound to acknowledge or respect.

THE PEOPLE WILL BO WHAT IS NECESSARY TO STOP PIG AGGRESSION

The people of the Winston-Salem community are beginning to see the methods of the fascist pigs and their attempts to harass and destroy the National Committee to Combat Fascism. By carrying two of the brothers: Brother George and Brother Grady, servants of the community down to their pig pen, Sunday, October 25, for of all things "petting up pos-

ters" in our community, New Brothers and Sisters get this! When we see that the capitalist of the music industry flood our community, "each week" with posters of rock and roll shows and dances it appears to be alright, but for the Brothers of the National Committee to Combat Fascism It's a crime.

There seems to be a bit of contradiction, one-sideness, and inconsistency here. The only crime the Brothers committed was to be members of the Vanguard Party which teaches the oppressed masses the correct procedure of resistance to the oppressive power structure.

The pigs of Winston-Salem try to drain the funds of the N.C.C.F. : by constantly harassing and arresting the brothers. Taking all States. the cash for bail bonds, so they will not have funds to continue programs like Free Breakfast for hungry children in the community. The people of the community will not permit this. Because the people of Winston-Salem are beginning to relate to the N.C.C.F. the Free Breakfast Program and all other programs are Russell and Andy

the peoples programs. The people will do what is necessary to stop these acts of aggression by the aggressive pigs of Winston-Salemi

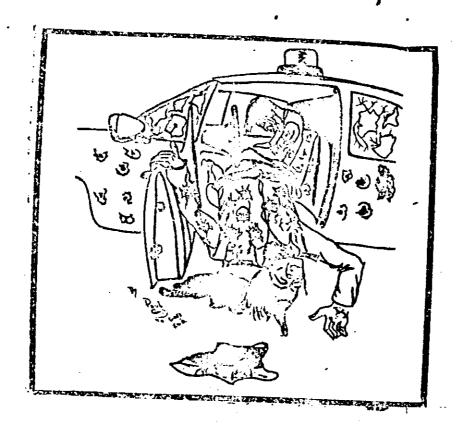

The Minister of Defense of the Black Panther Party, Huev P. Newton, teaches the people that community control of pigs is the answer to ending pig brutality in our communities. And we will gain community control of police by

implementing this ourselves, and dispense of pigs who occupy our community like a foreign troop. The pigs are not in our community to help us, they are not in our community to protect us, they are not in our community to serve us. in fact they do a disservice to us. So why are they here? To oppress

The Minister of Diense of the Black Panther Party also teaches the people the only way to get community control is to get political power. And political power grows out of the barrel of a gun. So what is clearly needed is the immediate implementation of Huey P. Newton's plea to arm yourself against the racist, and fascist attacks of the gestapo pig force of Winston-Salem and the United

The people of Winston-Salem say Point No. 7 of the Black Panther Party's Platform and Program will be implemented along with the complete 10 Point Platform and Program of the Party.

AVARICIOUS RUSINESS ATHER REFUSE TO FEED MINORY CHILDREN

Point No. 3 of the filec's Panther Party's 10 Point Platform and 1 togram states "We want an end to the rebbery by the capitalists of our fileck communities." This is necessary because the pig capitalist drain our communities of money and then neglect the welfare of the people in the community.

In Vinaton-Salem several racist businesenich and some nigger lackeys refuse to support the Free Breakfast Program. These pigs give tots of jive reasons such as "we should look to the lord for things we need" and "really we ain't making no money." Some even meet the people servants with open contempt, saying that they will never support the Black Panther Party because the Panthers are trying to overthrow the government and the system that they love, These statements should educate the people to the fact that these pigs never will think anything of them.

These avaricious pigs of Winston-Salem ignore the fact that the parents of the kids that we

feed are the ones the purchase from these stores. That's right they exploit the parents and then refuse to put a little of the money they stole back in the community to feed hungry children.

When the businesses in the community fail to reach the needs of the people in the community then they stole back into the community these businesses should be put into the hands of the people.. So either these pigs will stop exploiting the people or else the people will take what is rightfully theirs. We expose North Winston Hardware, Hutshins and Woods Appliances, Little Rose Supermarket, Krozers Supermarkets, A and I Sepermarkets, and H.B. Jones Grill to the people of Winston-Salem because they have repeatedly neglected the needs of the people and the people must deal with them by any means necessary. ALL POWER TO THE PEOPLE! FIND THE SLUMLORDS GUILTY OF GENOCIDE

Or Theraday afternoon, Nov. 5. 1977, cother brother in Winston-Selete Cità because of the negli-Send of a shimford, Ernest Leroy Subcr, "typied from a fire which could be a easily been avoided if the Chalford, C.W. Aliles, bad made the recessary repairs on the house. The house where brother Saher Fried with his wife and 5 children had some faulty wiring and a gas la la ge which could have easily been repaired. Because slumford Miles neglected to make the necessary repairs, the house was dazardous to the occupants.

It is well known throughout the Clack community of Winston-Solem that C.W. Miles is a racist and avaricious slumford who often neglects the needs and demands of his tenents. Prother Suber's family

sent some lackey who would always genocide. The fascist pig power report that the house was in perfect structure of Babylon makes things condition and leave. There is concrete evidence that the fire was a gas fire because within two minutes after the fire was spotted there was an explosion and flames erupted everywhere. The house was destroyed, however the pig department says that "they" haven't yet found out why the fire started,

When brother Suber's wife asked slumlard killes if he could let them stay in one of his other houses until they got themselves together he told them that he didn't have any place for them at all. As a result of the fire Ernest Suber's wife. Berbura, new has no home and 5 fatherless children. Slumlords like Miles should, be dealt with because when they deny the people decent had repeatedly asked pig Miles to housing and a brother dies because repair their home. Each time he of their neglect, they are guilty of

easy for slumfords like Miles because they recognize and endorse this form of genocide. We need laws that will punish slumlords and other pigs for their ill practices on the people. This definitely shows the need for a Revolutionary People's constitution. Poor and oppressed people and Black people in particular have no laws that are relevant to them in today's decadent society.

The people of Winston-Salem and all the people of Babylon find C.W. Miles and other slumlords guilty of genocide and the sentence is.

BLACK PANTHER PARTY (BPP), also known as Black Panther Party for Self-Defense

According to the official newspaper of the BPP, the BPP was started during December 1980 in Oakland. California, to organize black people so they can take control of the life politics, and the destiny of the black community. It was organized by BOBBY G. SEALE, BPP Chairman, and HUEY P. NEWTON, Minister of Defense, BPP.

The official newspaper, called "The Black Panther," regularly states that the BPP advocates the use of guns and guerrilla tactics in its revolutionary program to end oppression of the black people. Residents of the black community are urged to arm themselves against the police who are consistently referred to as "pigs" who should be killed.

The newspaper, in its issue of September 7, 1968, had an article by the then Minister of Education, GEORGE MURRAY. This article ended with the following:

"Black men. Black people, colored persons of America, revolt everywhere! Arm yourselves. The only culture worth keeping is revolutionary culture. Change. Freedom everywhere. Dynamite! Black power. Use the gun. Kill the pigs everywhere."

The BPP newspaper, issue of October 5, 1968, had an article introduced with the following statement: "We will not dissent from American government. We will overthrow it."

DAVID HILLIARD, Chief of Staff, BPP, in a speech at the San Francisco Polo Field on November 15, 1969, said "We will kill Richard Nixon."

DAVID HILLIARD, in the "New York Times," issue of December 13, 1969, was quoted as follows: "We advocate the very direct overthrow of the government by way of force and violence."

In the issue of April 25, 1970, the BPF newspaper had an article by Minister of Culture EMORY DOUGLAS as follows:

"The only way to make this racist US government administer justice to the people it is oppressing, is...by taking up arms against this government, killing the officials, until the reactionary forces. are dead, and those that are left turn their weapons on their superiors, thereby passing revolutionary judgement against the number one enemy of all manking, the racist U.S. government."

The BPP Readquarters is located at 1046 Peralta Street, Oakland, California. Branches of the BPP, and Committees to Combat Fascism, under control of the BPP have been established in various locations in the USA.

VENCEREMOS BRIGADE

The Venceremos Brigade (VR) has been publicly described as a group of American volunteers traveling to Cuba, at the invitation of the Cuban Government, to assist in the harvesting of sugar cane.

The VB, organized in June, 1969, by a coalition of the New Left in open defiance of the United States Department of State ban on travel to Cuba, has already sponsored two contingents to Cuba. One group of over 200 Americans traveled to Cuba via Mexico in November - December, 1969, for a stay of almost two months. The second group of over 500 Americans departed by Cuban vessel at St. John's, New Brunswick, Canada, on February 13, 1970, and returned on April 28, 1970.

Venceremos translated means "we will win," a slogan of the late Che Guevera, Cuban revolutionary leader.

YOUNG SOCIALIST ALLIANCE UNIVERSITY OF NORTH CAROLINA CHAPTER

The "Daily Tar Heel," student newspaper published at the University of North Carolina (UNC), Chapel Hill, North Carolina, on November 7, 1968, published an article stating that the Young Socialist Alliance (YSA) would hold its first organizational meeting on November 7, 1968, at the University of North Carolina.

On February 20, 1969, a source advised the Young Socialist Alliance National Executive Committee meeting on February 4, 1969, at New York City, approved the creation of a local Young Socialist Alliance at Chapel Hill, North Carolina.

STUDENTS FOR A DEMOCRATIC SOCIETY

A source has advised that the Students for a Democratic Society (SDS), as presently regarded, came into being at a founding convention held June, 1962. at Port Huron, Michigan. From an initial posture of "participatory democracy" the line of the national leadership has revealed a growing Marxist-Leninist adherence which currently calls for the building of a revolutionary youth movement. Concurrently, the program of SDS has evolved from civil rights struggles to an anti-Vietnam War stance to an advocacy of a militant anti-imperialist position. China, Vietnam, and Cuba are regarded as the leaders of worldwide struggles against United States imperialism whereas the Soviet Union is held to be revisionist and also imperialist.

At the June, 1969. SDS National Convention, Progressive Labor Party (PLP) forces in the organization were expelled. As a result, the National Office (NO) group maintained its National Headquarters at 1608 West Madison Street, Chicago, and the PLP faction set up headquarters in Cambridge, Massachusetts. This headquarters subsequently moved to Boston. Each group elected its own national officers, which include three national secretaries and a National Interim Committee of eight. Both groups also print their versions of "New Left Notes" which sets forth the line and the program of the particular faction. The NO version of "New Left Notes" was recently printed under the title "The Fire Next Time" to achieve a broader mass appeal.

Two major factions have developed internally within the NO group, namely, the Weatherman or Revolutionary Youth Movement (RYM) I faction, and the RYM II faction. Weatherman is action-oriented upholding Castro's position that the duty of revolutionaries, adventuristic, elitist faction which denies the historical role of the working class as the base for revolution. RYM JI maintains that revolution, although desired, is not possible under present conditions, hence emphasizes organizing and raising the political consciousness of the working class upon whom they feel successful revolution depends. Although disclaiming control and domination by the Communist Party, USA, leaders in these two factions have in the past proclaimed themselves to be communists and to follow the precepts of a Marxist-Leninist philosophy, along pro-Chinese communist lines.

A second source has advised that the PLP faction which is more commonly known as the Worker Student Alliance is dominated and controlled by members of the PLP, who are required to identify themselves with the Pro-Chinese Marxist-Leninist philosophy of the PLP. They advocate that an alliance between workers and students is vital to the bringing about of a revolution in the United States.

SDS regions and university and college chapters, although operating under the outlines of the SDS National Constitution, are autonomous in nature and free to carry out independent policy reflective of local conditions. Because of this autonomy internal struggles reflecting the major factional interests of SDS have occurred at the chapter level since the beginning of the 1969-70 school year.

A characterization of PLP is attached.

PROGRESSIVE LABOR PARTY (PLP)

"The New York Times" city edition, Tuesday, April 20, 1965, page 27, reported that a new party of "revolutionary socialism" was formally founded on April 18, 1965, under the name of the PLP which has been known as the Progressive Labor Movement.

According to the article, "The Progressive Labor Movement was founded in 1962 by Milton Rosen and Mortimer Scheer after they were expelled from the Communist Party of the United States for assertedly following the Chinese Communist line."

A source advised on June 3, 1968, that the PLP held its Second National Convention in New York City. May 31 to June 2, 1968, at which time the PLP reasserted its objective of the establishment of a militant working class movement based on Marxism-Leninism. This is to be accomplished through the Party's over-all revolutionary strategy of raising the consciousness of the people and helping to provide ideological leadership in the working class struggle for state power.

The source also advised that at the Second National Convention Milton Rosen was unanimously re-elected National Chairman of the PLP and Levi Laub. Fred Terome, Jared Israel, William Epton. Jacob Rosen, Jeffrey Gordon and Walter Linder were elected as the National Committee to lead the PLP until the next convention.

The PLP publishes "Progressive Labor" a bi-monthly magazine; "World Revolution", a quarterly periodical; and "Challenge-Desafio" a monthly newspaper.

The April, 1969, issue of "Challenge Desafio" sets forth that "Challenge is dedicated to the people's fight for a new way of life--where the working men and women control their own homes and factories; where they themselves make up the entire government on every level and control the schools, courts, police and all institutions which are now used to control them "

Source advised on May 8, 1969, that the PLP utilizes an address of General Post Office Box 808, Brooklyn New York, and also utilizes an office in Room 617, 1 Union Square West; New York New York.

STUDENTS FOR A DEMOCRATIC SOCIETY

A source has advised that the Students for a Democratic Society (SDS), as presently regarded, came into being at a founding convention held June, 1962. at Port Huron, Michigan. From an initial posture of "participatory democracy" the line of the national leadership has revealed a growing Marxist-Leninist adherence which currently calls for the building of a revolutionary youth movement. Concurrently, the program of SDS has evolved from civil rights struggles to an anti-Vietnam War stance to an advocacy of a militant anti-imperialist position. China, Vietnam, and Cuba are regarded as the leaders of worldwide struggles against United States imperialism whereas the Soviet Union is held to be revisionist and also imperialist.

At the June, 1969. SDS National Convention, Progressive Labor Party (PLP) forces in the organization were expelled. As a result, the National Office (NO) group maintained its National Headquarters at 1608 West Madison Street. Chicago, and the PLP faction set up headquarters in Cambridge, Massachusetts. This headquarters subsequently moved to Boston. Each group elected its own national officers, which include three national secretaries and a National Interim Committee of eight. Both groups also print their versions of "New Left Notes" which sets forth the line and the program of the particular faction. The NO version of "New Left Notes" was recently printed under the title "The Fire Next Time" to achieve a broader mass appeal.

Two major factions have developed internally within the NO group, namely, the Weatherman or Revolutionary Youth Movement (RYM) I faction, and the RYM II faction. Weatherman is action-oriented upholding Castro's position that the duty of revolutionaries, adventuristic, elitist faction which denies the historical role of the working class as the base for revolution. RYM II maintains that revolution, although desired, is not possible under present conditions, hence emphasizes organizing and raising the political consciousness of the working class upon whom they feel successful revolution depends. Although disclaiming control and domination by the Communist Party, USA, leaders in these two factions have in the past proclaimed themselves to be communists and to follow the precepts of a Marxist-Leninist philosophy, along pro-Chinese communist lines.

A second source has advised that the PLP faction which is more commonly known as the Worker Student Alliance is dominated and controlled by members of the PLP, who are required to identify themselves with the Pro-Chinese Marxist-Leninist philosophy of the PLP. They advocate that an alliance between workers and students is vital to the bringing about of a revolution in the United States.

SDS regions and university and college chapters, although operating under the outlines of the SDS National Constitution, are autonomous in nature and free to carry out independent policy reflective of local conditions. Because of this autonomy internal struggles reflecting the major factional interests of SDS have occurred at the chapter level since the beginning of the 1969-70 school year.

A characterization of PLP is attached.

PROGRESSIVE LABOR PARTY (PLP)

"The New York Times" city edition, Tuesday, April 20, 1965, page 27, reported that a new party of "revolutionary socialism" was formally founded on april 18, 1965, under the name of the PLP which has been known as the Progressive Labor Movement.

According to the article, "The Progressive Labor Movement was founded in 1962 by Milton Rosen and Mortimer Scheer after they were expelled from the Communist Party of the United States for assertedly following the Chinese Communist line."

A source advised on June 3, 1968, that the PLP held its Second National Convention in New York City, May 31 to June 2, 1968, at which time the PLP reasserted its objective of the establishment of a militant working class movement based on Marxism-Leninism. This is to be accomplished through the Party's over-all revolutionary strategy of raising the consciousness of the people and helping to provide ideological leadership in the working class struggle for state power.

The source also advised that at the Second National Convention Milton Rosen was unanimously re-elected National Chairman of the PLP and Levi Laub. Fred Terome, Jared Israel, William Epton, Jacob Rosen, Jeffrey Gordon and Walter Linder were elected as the National Committee to lead the PLP until the next convention.

The PLP publishes "Progressive Labor" a bi-monthly magazine; "World Revolution", a quarterly periodical; and "Challenge-Desafio", a monthly newspaper.

The April, 1969, issue of "Challenge Desafio" sets forth that "Challenge is dedicated to the people's fight for a new way of life--where the working men and women control their own homes and factories; where they themselves make up the entire government on every level and control the schools, courts, police and all institutions which are now used to control them."

Source advised on May 8, 1969, that the PLP utilizes an address of General Post Office Box 808, Brooklyn, New York, and also utilizes an office in Room 617, 1 Union Square West, New York New York.

YOUNG SOCIALIST ALLIANCE UNIVERSITY OF NORTH CAROLINA CHAPTER

The "Daily Tar Heel," student newspaper published at the University of North Carolina (UNC), Chapel Hill, North Carolina, on November 7, 1968, published an article stating that the Young Socialist Alliance (YSA) would hold its first organizational meeting on November 7, 1968, at the University of North Carolina.

On February 20, 1969, a source advised the Young Socialist Alliance National Executive Committee meeting on February 4, 1969, at New York City, approved the creation of a local Young Socialist Alliance at Chapel Hill, North Carolina.

RE: REVOLUTIONARY PEOFIGE CONSTITUTIONAL CONVENTION

four individuals from Raleigh, North Carolina, including two from Shaw University, were to travel to Winston-Salem, North Carolina, and join a larger group who plan to travel to Washington, D. C. The reason for this trip is to attend meetings finalizing the plans for the Revolutionary Peoples Constitutional Convention.

Salem National Committee to Combat Fascism is now considering the rental of buses for travel of their group to attend the Revolutionary Peoples Constitutional Convention; however, the exact plans or the identities of the individuals to attend are unknown

On Movember 6, 1970,

reported there had been no additional information indicating members of the Winston-Salem National Committee to Combat Fascism have been in Charlotte organizing for the Revolutionary Peoples Constitutional Convention.

A characterization of the Black Panther Party is attached as an appendix to this memorandum.

BLACK PANTHER PARTY (BPP), also known as Black Panther Party for Self-Defense

According to the official newspaper of the BPP, the BPP was started during December 1966 in Oakland, California, to organize black people so they can take control of the life, politics, and the destiny of the black community. It was organized by BOBBY G. SEALE, BPP Chairman, and HUEY P. NEWTON, Minister of Defense, BPP.

The official newspaper, called "The Black Panther," regularly states that the BPP advocates the use of guns and guerrilla tactics in its revolutionary program to end oppression of the black people. Residents of the black community are urged to arm themselves against the police who are consistently referred to as "pigs" who should be killed.

The newspaper, in its issue of September 7, 1968, had an article by the then Minister of Education, GEORGE MURRAY. This article ended with the following:

"Black men. Black people, colored persons of America, revolt everywhere! Arm yourselves. The only culture worth keeping is revolutionary culture. Change. Freedom everywhere." Dynamite! Black power. Use the gun. Kill the pigs everywhere."

The BPP newspaper, issue of October 5, 1968, had an article introduced with the following statement: "We will not dissent from American government. We will overthrow it."

DAVID HILLIARD, Chief of Staff, BPP, in a speech at the San Francisco Polo Field on November 15, 1969, said "We will kill Richard Nixon."

DAVID HILLIARD, in the "New York Times," issue of December 13, 1969, was quoted as follows: "We advocate the very direct overthrow of the government by way of force and violence."

In the issue of April 25, 1970, the BPP newspaper had an article by Minister of Culture EMORY DOUGLAS as follows:

"The only way to make this racist US government administer justice to the people it is oppressing, is...by taking up arms against this government, killing the officials, until the reactionary forces. are dead, and those that are left turn their weapons on their superiors, thereby passing revolutionary judgement against the number one enemy of all mankind, the racist U.S. government."

The BPP Headquarters is located at 1046 Peralta Street, Oakland, California. Branches of the BPP, and Committees to Combat Fascism, under control of the BPP, have been established in various locations in the USA.

PART II

The following is a summary of BPP activities within the Charlotte Division during the month of September, 1970:

The group continues to receive and sell BPP newspapers and articles continue to be published in the BPP newspaper bylined Winston-Salem. It is noted that one of these articles sets forth that the group at Winston-Salem was the only officially recognized BPP group in North Carolina. They continue to have financial difficulties and there is dissension and dissatisfaction within the leadership.

About ten members of the group attended the Repressed Peoples Constitutional Convention at Philadelphia, Pa., 9/5 - 7/70 accompanied by approximately 25 individuals from Winston-Salem not known to be members. The group traveled in a rented truck and rented cars.

On October 14, 1970, an Agent of the Federal Bureau of Investigation reviewed the voice on the tape at the switchboard, High Point, and the following conversation was noted:

"Please sir, I know for a fact someone has set a bomb at Adams-Millis. My brother is with the Black Power people. I don't know - I don't want anything to happen to those people. Please call the police."

The switchboard operator asked the woman what the problem was, at which time the conversation heard was as follows:

"Someone has set a bomb. I know for a fact. My brother at Adams-Millis. He is in with the Black Panthers. I know somebody wouldn't give him a job. Please help those people down there. I don't want anything to happen to them. I couldn't call the Police. It's set to go off - I don't know when - it's set to go off sometime this morning - sometime."

BLACK PANTHER PARTY (BPP), also known as Black Panther Party for Self-Defense

According to the official newspaper of the BPP, the BPP was started during December 1966 in Oakland, California, to organize black people so they can take control of the life politics, and the destiny of the black community. It was organized by BOBBY G. SEALE, BPP Chairman, and HUEY P. NEWTON, Minister of Defense, BPP.

The official newspaper, called "The Black Panther," regularly states that the BPP advocates the use of guns and guerrilla tactics in its revolutionary program to end oppression of the black people. Residents of the black community are urged to arm themselves against the police who are consistently referred to as "pigs" who should be killed.

The newspaper, in its issue of September 7, 1968, had an article by the then Minister of Education, GEORGE MURRAY. This article ended with the following

"Black men. Black people, colored persons of America, revolt everywhere! Arm yourselves. The only culture worth keeping is revolutionary culture. Change. Freedom everywhere. Dynamite! Black power. Use the gun. Kill the pigs everywhere."

The BPP newspaper, issue of October 5, 1968, had an article introduced with the following statement: "We will not dissent from American government. We will overthrow it."

DAVID HILLIARD, Chief of Staff, BPP, in a speech at the San Francisco Polo Field on November 15, 1969, said "We will kill Richard Nixon."

DAVID HILLIARD, in the "New York Times," issue of December 13, 1969, was quoted as follows: "We advocate the very direct overthrow of the government by way of force and violence."

In the issue of April 25, 1970, the BPF newspaper had an article by Minister of Culture EMORY DOUGLAS as follows:

"The only way to make this racist US government administer justice to the people it is oppressing, is...by taking up arms against this government, killing the officials, until the reactionary forces ... are dead, and those that are left turn their weapons on their superiors, thereby passing revolutionary judgement against the number one enemy of all manking, the racist U.S. government."

The BPP Headquarters is located at 1046 Peralta Street, Oakland, California. Branches of the BPP, and Committees to Combat Fascism, under control of the BPP, have been established in various locations in the USA.

wherein a complaint and motion for preliminary injunction was filed on behalf of seventeen plaintiffs, the majority of which were reported to be preparing for membership in the BPP. The suit was against city, county, state, and Federal law enforcement agencies at Charlotte, North Carolina, and alleges violations of the group's civil rights by police harassment requesting \$10,000 damage for each of the seventeen plaintiffs.

As of October 16, 1970, the suit has not been adjudicated, however, has been dismissed in connection with sixteen of the seventeen plaintiffs.

On May 9, 1970, DALY, representing the American Civil Liberties Union, was a speaker at a rally held in Freedom park, Charlotte, North Carolina, protesting the death of Ohio College students and the war in Southeast Asia. DALY, during his speech, referred to the Charlotte Police Department as "the enemy" and gave the talk upon the right of peaceful assembly to protest.

During August of 1970, DALY was listed on literature of the Southern Legal Action Movement to be a speaker at their annual summer institution on drug defenses.

On October 15, 1970, DALY was the speaker at a rally at Freedom Park, Charlotte, North Carolina, sponsored by the Progressive Political Union, a New Left type student group at the University of North Carolina, Charlotte, protesting United States involvement in Southeast Asia. DALY quoted from the speeches of H. RAP BROWN, a former leader of Student National Coordinating Committee (SNCC), emphasizing that violence was an American trait.

A characterization of BPP and SNCC are attached as appendices to this memorandum.

STUDENT NATIONAL COORDINATING COMMITTEE (SNCC)

A source advised the Student National Coordinating Committee (SNCC), formerly known as the Student Nonviolent Coordinating Committee, is a nonmembership organization founded in 1960, during the civil rights movement in the South.

Under the leadership of Stokely Carmichael, who served as National Chairman during the period 1966-67. SNCC evolved from a civil rights oriented group into a full-blown black revolutionary organization.

A publication entitled, "1967 High Tide of Black Resistance" indicates the year 1967 was considered by SNCC as a historic milestone for the liberation of black people in the United States and the year that revolutionaries throughout the world began to understand more fully the impact of the black movement. The publication declared that "liberation will come only when there is final destruction of this mid octopus—the capitalistic system of the United States with all its life-sucking tentacles of exploitation and racism that choke the people of Africa, Asia, and Latin America. The realities of black life, together with the recognition instilled in SNCC workers, forced its members to further popularize the legitimacy of self-defense and rebellions when oppression became too great."

A second source advised that H. Rap Brown succeeded Carmichael as National Chairman of SNCC in May, 1968, and served in that capacity until June, 1968, at which time SNCC reorganized, creating ten deputy chairmen in an effort to relieve pressure by law enforcement.

In April, 1969, SNCC moved its national headquarters from Atlanta, Georgia, to New York City, where it is presently located.

H. Rap Brown announced at a press conference in New York City on July 22, 1969, that he had been elected Chairman of the Student Nonviolent Coordinating Committee. He announced the organization was dropping the word "Nonviolent" from its title and will be known as the Student National Coordinating Committee, with a Revolutionary Political Council functioning as its governing body. Brown, at that time, stated the use of force is necessary in obtaining revolutionary goals.

On September 15, 1970.

ladvised that, approximately thirty-five individuals from Winston-Salem attended the Revolutionary Peoples Constitutional Convention which started September 5, 1970, ar Philadelphia, Pennsylvania. Among these were JULIUS WHITE CORNELL, JR., JAMES/FORD, JAMES/CATO, LARRY LITTLE, And WILLIAM GARY, along with LEE FAY MACK, her daughters, RUTH and HAZEL MACK, and her husband, HAZEL LEE MACK. The group departed Winston-Salem on the night of September 4-5, 1970, in a van-type truck rented by JULIUS CORNELL, a Ford Torino, rented by LEE FAY MACK, and a station wagon (Ford), rented by JULIUS CORNELL. CORNELL had approximately \$800 in expense money which was all used in view of the fact the group left on September 4, 1970, and returned on September 8, 1970. They stayed at a church on Seventh Avenue near Temple University. In addition to the individuals named as attending, advised that the rest of the group was made up of members of the community who reside near the Panther Headquarters.

On September 25, 1970, SF T-16 reported that an unidentified individual from North Carolina had traveled in various areas of North Carolina and in addition, had talked to someone in Atlanta, Georgia, concerning getting a train in connection with the Revolutionary Peoples Constitutional Convention. This individual was reportedly to attend a staff meeting to be held in New York on September 26, 1970.

In addition, NY Te66 reported that (phonetic), a Black Panther Party member functioning out of Winston-Salem, North Carolina, had traveled in cities throughout North Carolina and South Carolina, attempting to create interest in establishing BPP community centers and to raise money for the convention.

Salem, North Carolina, as JULIUS WHITE CORNELL, JR., the Defense Captain of the Winston-Salem National Committee to Combat Fascism (NCCF), a BPP affiliated group.

JULIUS WHITE CORNELL, JR., was a section leader in the Winston-Salem NCCF and had attended a "staff meeting" over the past weekend in New York. (It is noted this would have been the weekend of September 26-27, 1970).

On October 9, 1970.

became aware of

two vehicles with New York State tags on them. These vehicles spent three or four days in the Negro area of Lumberton and

contained numerous occupants. They were not identified nor were the license plates copied down. On or about the first of October, these vehicles had disappeared and the following sign was erected on the yard of BETTY JEAN MCNEAL, 817 Fairmont Road, Lumberton, North Carolina:

"Revolutionary Peoples Constitutional Convention, power to the black man, kill the pig. Black Panther Party."

During the weekend of October 3-4, 1970, meetings were held with groups of Negroes at Lumberton Recreation Center, and also at the house of an unidentified Negro male, residing at 813 Fairmont Road.

On October 9, 1970,

that unidentified individuals were in High Point recently attempting to recruit Negroes to go to the Revolutionary Peoples Constitutional Convention.

that fare, food, and housing will be taken care of and there is some indication the group will go by train.

On October 10, 1970,

from the BPP had gone to Raleigh, Durham, Fayetteville, Lumberton, and Charlotte, North Carolina, attempting to gain support for the BPP conference to be held in Washington, D. C. (1

On October 9, 1970,

mevolutionary people's constitutional convention on Singularity people's constitutional convention of G-10

: 400 years now, Black People have suffered an proken chain of abuse at the hands of White America, r 400 years we have been treated as America's footpol. This fact is so clear that it requires no argustation. for further information contact the Revolutionary People's Constitutional Convention Information Center nearest you.

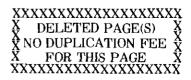

The Revolutionary People's Constitutional Convention has been called because it affects all people living in this oppressive society. The Black Panther Party takes the position that the present Constitution has not, is not, and will not serve the people. In order that the people be guaranteed the highest form of living in the present affluent society; we will have to combine our energies in order that we have land, food for our hungry people, decent housing, education, clothes, and justice and peace.

Senior Army Instructor, Reserve Officers' Training Corps (ROTC). Atkins High School, Winston-Salem, North Carolina, advised he is establishing a ROTC Unit at this high school and has obtained some of his supplied from Fort Bragg, North Carolina. In August, 1970, while at Fort Bragg with a truck for other supplies, he obtained screens described as the fourifact by eight feet heavy duty screens, Stock Number 5450-526-4565, and two four feet by eight feet heavy duty screens, Stock Number 5340-526-4560, from Chief Storage Section, Fort Bragg, North Carolina. He did not have to sign any document to obtain these screens which were apparently spare screens which Colonel possessed. The screens were taken to Winston-Salem and placed in the yard of Atkins High School.

stated on September 16, 1970, he drove past the BPP Headquarters, 1602 East Fourteenth Street, Winston-Salem, North Carolina, and observed some screens which were similar in appearance to captioned screens nailed over windows of BPP Headquarters. Upon checking the high school, he found that the screens which he had placed in the yard were missing.

Chief Storage Section, Fort Bragg, North Carolina, stated legitimately draws supplies from Fort Bragg, North Carolina, and on August 24, 1970, came to Fort Bragg and requisitioned ten weapon racks. On this occasion, gave him the screens, described above, which were left over from an order he had previously made for his own use. Accordingly, no requisition was submitted and no record made of this property transaction. stated that accountability for this property ended when these screens were issued to Central Storage, Supply Division, Fort Bragg, North Carolina, and was not required to place them on inventory. He advised that the screens without the door panel are expendable. He stated the screens do not have a unique serial number but have a stock number which is the same on all screens of the same type but which will not serve for individual identification. (;

stated screens of this type have been in military stock for approximately two years. The total number produced is not known nor is it known if they are made for civilian sale. The above-described screens would have a total value of \$299.80. They were manufactured at USONA, 3512 Chouteau, Saint Louis, Missouri, under DSA Contract Number 700-69-9542. They were sent from the manufacturer to the Arms Depot at Granite City, Illinois, and from there to Fort Bragg, North Carolina. ()

THE BLACK PARTHER, SATURDAY SEPTEMBER 5, 1970 PAGE 7 LOLDED GATO OF VEHISLON

SALEM SUBJECTED TO PASCIST

FUAME - UP

James Cato, 26, year oldrestdent of Wincton-Selem has now been called to the many attempts by the pigo of the power structure to be framed. This case is just one of many where trunded up charges have been placed on brothers who in some kind of way are striving for freedom and liberation in Bebelon and Whaten-Salem.

Brother Colowaserrested at his home in the darkness of the night (fired Hausdon Hour 5:00 a.m.) on the trumped up charges of tobbory. Thursday morning 8/20/70, brother Cate was asleep in bad when 10 carloads of pigs armed to hos gill and boking like Nazi storm troopers (seaming at the mouth) approached his house. His parents not knowing what was coming down were really astounded to find so many pigs at their house that early in the morning. Cato, himself not knowing what was happening was not the least bit surprised to see so many fascist at his house because of the situation at hand here in recent days in Winston.

Earlier today when he was first arrested he was ccharged with robbery: of what, no one knows. Later on in the evening he was charged with storebreaking aid breeny. The fascist dogs being the coniving artists they are became stumped when it comes to determining which trumped up charges are best suited arthis particular time. But when it comes to tactics employed by them, they don't need much decision making ability because a fascist doesn't aced much of a mind. They know they don't need much of a case, which is not their main concern anyway. They

are more concerned with harassing and intimidating him about his political work than anything else.

It is very important to mention the fact that the brother just came out of the fascist and racist army of the U.S. He came to the N.C.C.F. headquarters shortly after his arrival home from the army. He was very inquisitive and rought knowledge concerning the N.C.C.F. and the Black Panther Party, Mter colightening him to some of the principles and guides governing our party and the position we took on the present system, he began to question our analysis of the power structure and how it operates in a round about way. We pointed out to him time after time; that if we couldn't organize him and some of the other people with the same reluctancy around revolutionary principles, that the pigs would organize him around pig princlples. I hope that this incident has made the fascist pigs position very clear when it comes to Black people in Winston as well as all of that repression breeds resistance and we hope that the brother undenstands this also and will move on a higher level to deal with the oppressor in a righteous manner.

We are in the process of raising money for his bond, if the people of Winston -Salem would like to make donations please send checks or money orders to: Rickie Hooper 1502 East 14th st. Winston, Salem, North Carolina.

Point No. 5 of our 19 form and Program mays that "We want odu-cation for our people it is explains the true nature of this decreases the true nature of this decreases that teaches us our true history and our role in the present day society," and "That we believe in an educational systemizat will give to not people almost dge of self. This information should be passed on to enable and to help mankind to continue to cope with our environments. Achievime the environment that poor and oppressed people should be coring with is the social environment and at the head of that social environment is a rig trio: Nixon, Agnew and Mitchell, who are the enemies of all the people, because they are the ones who are perpetuating the oppression of our people. They are the same pigs who have people living in injust conditions along with pigs like Tucker in Winston-Salem and J.F. Hoover, All these

And if they can't tell the people that, then we, the people should ask them to step forward so that they can deal with them. The people should ask, "What's first, your job teaching inductrination or brothers like the Chairman going to the electric chair for our freedom, and if they would say their job is first, then the people should close down the high school campuses, close down the offeechings, and take to the streets. Because the streets belong to the people.

The people on these campuses should let the pips know that these are the things that they would like to know and if these pigs can't produce this information then the people can see the decadency of this country.

They should tell the people how the Visto people got their freedom and hit the people know that when White people were colonized that they picked up the gur. They dealt with their colonizer, on that level and that that is the only way we can got our freedom. These are the things that people need to know that have not been told to them. So let it be heard across the land that the people on the campuses would like to have an education that is explained in No. 5 of the Ten Point Platform and Program of the Black Panther Party.

They are strenging to make killers of our youth as the riflitary industrial complex continues to wite imperialist wars of aggression against countries throughout the world. It is important that we at this time expose the intention of these pigs to the people. We know that they only

All parents should demand that the ROTC programs be removed from the companies of the high schools. No parents should want their sons to participate in incidents such as My Lei and Sung Thy, which received in the mass sleighter of women and children. It should also be kept in mind that what happened in these two incidents is a common occurance and not irolated lacidents.

The ROTC (reserved officers training corps) is nothing more than a program to turn the youth into pigs and make them part and

parcel of the fracist war machine of the United States. We most all call for the abolishment of there fascist programs from our composes colleges and high schools before your own consections one-miss of the people of the entire world.

All parents and students may come to the people's community center at 1902 E. 14th M. to discuss this issue. We must all work together to expose tals fuscist pig system to all the people.

MARE FIG OFFRESHA IN WESTONSALEA

We make no distinction between pigs. We say apig is apig is a pig. Whether he be Black or White, green or yellow or polka dor. No doubt about it, the Winston-Salem pig department has got to be the most fearful busch of so called law enforcers there are, it is clearly evident that these pigs headed by chief, pig Un-justice Tucker don't know right from wrong, which is typical characteristic of all pigs. Take for example the community of Boston.

In this particular community lives the buddest nigners in Winston-Salem. Pig Tecker was made quite aware of this sometime ago. So in order for him to deal with that he endorses the jive pacification program to get off into the

community, such as the Model "Folkey Fig" city poverty program designed to help ridthe peopla of their problems and grievances. This jive program is also known as so-called, community pig relations. However, we know much better than this. We know that this is nothing more than a scheming plot to infiltrate the community, brainwash the people into thinking that they are working in the best interest of the musses, seeking to divide the people and come along to conquer. These pigs evidently have been slacking in their game which is quite easy to

On August 18th, their community precinct was Brebombed and destroyed. This tremendous act of aggression towards them should make the community's stand be crystal clear. However, the nacist dogs and their bootlicking nigger lackeys feel that they might attempt to start all over again. Well, let their do this and we know that the people will only stand that much more taller, and be much more stronger and then off the pigs for good. So we say much, much later to the model pig city poverty pacification program and its endorsers and supplieds and may it be dealt with accordingly.

There have always been devious methods used by the pig power structure to discredit and villify the Black Fanther Party, Even on some occasions so-called Chapcers of the Black Panther Party have been started by pigs who

Reports have constantly gotten community all birds of pinglish acts arainst the people in the name of Les Black Pantine Party, Those plus along with their remains migmer dogs have done irreputable dimage to the Black Panther Party. With these piles and fools committing this madress in the Black Panther Parcy's name, it hacomes very difficult to organive in these cities, thus slowing up people's revolution,

The Charlotte N.C. is a classical example of how pies and fools can do damage to the Black Panther Party. The city of Charlotte is the largest city in the state of North Carolina and bas a heavy population of noin appropried Black people. This city was an ideal place to organize posses in because of poverty and police brutally. The pigs were very hipped to that and that is why they poid some niggers to start putting on black leather jackets, berets, and

pants and even got them some glus to go show off with shooting up the LALL POWER TO THE PEOPLE Block community, These fools N.C.C.F., Winston-Salam

THE PEOPLE OF WINSTON-SALEM SEIZE THE TIME TOWARDS A BETTER CONSTITUTION

From the very Rest moment Teacker's Rai iers learned that the people of Winston-Salam were going to attend the Revolutionary People's Plenary Session they made an attempt to halt them. The pigs had informed local bus companies not to charter any buses going to Philadelphia. They feared that when the participating brothere and sisters returned with a higher level of revolutionary consciousness that the employmentable even harder to deal with Hower en. the people of Winston-Salain ward In mined that they were going to attend at any expense so they traveled on tracks and in cars.

Li Philadelphia the brothers and strangs were since again expended to tactics of the pigs. They saw now River's gestapo forces occupy the community in marked and unmurked cars. Dlainclathes and ...

armed to the gills whereas the peopla attending the Plenary Session were unarmed. They also got a good look at agent provocateurs when se eral agents tried to get revolutionery minded people to march on City Hall, This is something that Rizzo's blood-chiesty pigs had been waiting for all week They had hopes of provoking a rio water in unarmoi participants of the Plenary Session would suffer heavy losses. The masses were even hipped to his foul plan. that the Parthers and the plys pressed people. worked together to make the Plan ALL POWER (2) 918 43 /PLB: nary Session a success. Even this DEATH TO THE PIGS our -right lie failed because it only N.C.C.F., Winston-Salam, N.C. expused the plus as being fools. For

Some of the people from Winston-Salem who attended the Revolutionary People's Plenary have expressed a desire to further educate the masses about their need for a Revolutionary People's Constitutional Convention and the Black Punther Party, The Plenary Session helped the people of Win-ธเมา-Salam to understand the Black Panther Party's 10 Point Platform and Program better, Especially which Huey P, Newton, the Minister of Defense of the Black Panther When the pigs isarned that they Party, ran it down to the massas, couldn't destroy the Planary Ses- The people of Winston-Salam are sion they decided to try to join the very proud to have taken part in the bandwagon. WINSTON -SALEM NCCF MEMBER JAILED FOR POSTING REVOLUTIONARY ART

On Sept. 10, 1970 Larry Little became the victim of another fascist frame-up. Little was sentenced to thirty days as the result of a jive time disorderly conduct charge. The charge stems from July 27th incident when Larry and William Gary (another member of the Winston-Salem N.C.C.F.) were putting up revolutionary posters in the community. Suddenly out of the mire pig Tuckers raiders vamped on the brothers. The community was quick to respond and they gathered ready

to check the situation out. Gary and Little seized the time and hold the masses about the foul factics of the pigs. That's right, they held a political education class on the spot. They hiew down the capitalistic ways of the pig power structure to the masses and told them all to deal with it.

The masses responded with cries of right on and off the pigs. By then the brothers told the people to disperse because the pigs would love nothing more than to beat some of the people's heads. Then the swine foaming at the mouth, began tearing down the posters. The people began shout-

ing you can tear down the posters but you can't tear down the revolution. The foul beast that stood before the people showed their true colors when they started grabbing people up off the street. They took Larry and Gary along with a retarded brother. in the Porky pig court (Aug. 10) Larry was found guilty. The fascist judge and prosecutor quickly saw the need to rid the penple of anyone who exposes the pig power structure, Larry Little is a very strong organizer. The pass used a foolish attempt to put the brother on probation. They told him that he wouldn't have to serve any time at all if he would get a respectable job and refrain from associating with undesirable people. Brother Larry quickly turned their stupid offer down. He informed them that he already had a job, organizing the people to deal with them. We of Winster-Salem demand that Larry Little be set free!

ALL POWER TO THE PEOPLE: REVOLUTION IN OUR LIFE-TIME!

BLACK PANTHER PARTY (BPP), also known as Black Panther Party for Self-Defense

According to the official newspaper of the BPP, the BPP was started during December 1966 in Oakland, California, to organize black people so they can take control of the life, politics, and the destiny of the black community. It was organized by BOBBY G. SEALE, BPP Chairman, and HUEY P. NEWTON, Minister of Defense, BPP.

The official newspaper, called "The Black Panther," regularly states that the BPP advocates the use of guns and guerrilla tactics in its revolutionary program to end oppression of the black people. Residents of the black community are urged to arm themselves against the police who are consistently referred to as "pigs" who should be killed.

The newspaper, in its issue of September 7, 1968, had an article by the then Minister of Education, GEORGE MURRAY. This article ended with the following

"Black men. Black people, colored persons of America, revolt everywhere! Arm yourselves. The only culture worth keeping is revolutionary culture. Change. Freedom everywhere." Dynamite! Black power. Use the gun. Kill the pigs everywhere."

The BPP newspaper, issue of October 5, 1968, had an article introduced with the following statement: "We will not dissent from American government. We will overthrow it."

DAVID HILLIARD, Chief of Staff, BPP, in a speech at the San Francisco Polo Field on November 15, 1969, said "We will kill Richard Nixon."

DAVID HILLIARD, in the "New York Times," issue of December 13, 1969, was quoted as follows: "We advocate the very direct overthrow of the government by way of force and violence."

In the issue of April 25, 1970, the BPF newspaper had an article by Minister of Culture EMORY DOUGLAS as follows:

"The only way to make this racist US government administer justice to the people it is oppressing, is...by taking up arms against this government, killing the officials, until the reactionary forces—are dead, and those that are left turn their weapons on their superiors, thereby passing revolutionary judgement against the number one enemy of all mankind, the racist U.S. government "

The BPP Headquarters is located at 1046 Peralta Street, Oakland, California. Branches of the BPP, and Committees to Combat Fascism, under control of the BPP, have been established in various locations in the USA.

There continues to be dissatisfaction over the leadership of LARRY DONNELL LITTLE and this is possibly the reason for the older membership dropping out.

There has been interest in the Repressed Peoples Constitutional Convention at Philadelphia, Pa., 9/5-7/70, with LEE FAYE MACK, mother of members, RUTH and HAZEL MACK, reported to be one of the southern representatives and organizers for the conference. (A

A characterization of the Black Panther Party is attached as an appendix to this memorandum.

BLACK PANTHER PARTY (BPP), also known as Black Panther Party for Self-Defense

According to the official newspaper of the BPP, the BPP was started during December 1966 in Oakland, California, to organize black people so they can take control of the life politics, and the destiny of the black community. It was organized by BOBBY G. SEALE, BPP Chairman, and HUEY P. NEWTON, Minister of Defense, BPP.

The official newspaper, called "The Black Panther," regularly states that the BPP advocates the use of guns and guerrilla tactics in its revolutionary program to end oppression of the black people. Residents of the black community are urged to arm themselves against the police who are consistently referred to as "pigs" who should be killed.

The newspaper, in its issue of September 7, 1968, had an article by the then Minister of Education, GEORGE MURRAY. This article ended with the following

"Black men. Black people, colored persons of America, revolt everywhere! Arm yourselves. The only culture worth keeping is revolutionary culture. Change. Freedom everywhere. Dynamite! Black power. Use the gun. Kill the pigs everywhere."

The BPP newspaper, issue of October 5, 1968, had an article introduced with the following statement: 'We will not dissent from American government. We will overthrow it."

DAVID HILLIARD, Chief of Staff, BPP, in a speech at the San Francisco Polo Field on November 15, 1969, said "We will kill Richard Nixon."

DAVID HILLIARD, in the "New York Times," issue of December 13, 1969, was quoted as follows: "We advocate the very direct overthrow of the government by way of force and violence."

In the issue of April 25, 1970, the BPP newspaper had an article by Minister of Culture EMORY DOUGLAS as follows:

"The only way to make this racist US government administer justice to the people it is oppressing, is...by taking up arms against this government, killing the officials, until the reactionary forces—are dead, and those that are left turn their weapons on their superiors, thereby passing revolutionary judgement against the number one enemy of all mankind, the racist U.S. government."

The BPP Headquarters is located at 1046 Peralta Street, Oakland, California. Branches of the BPP, and Committees to Combat Fascism, under control of the BPP, have been established in various locations in the USA.

Referenced Bureau airtel states that "...The Department, in connection with efforts to develop a prosecutive theory against the BPP for the violation of security statutes, has previously requested this Bureau to develop evidence regarding documents of the BPP which urge its revolutionary doctrines and to also develop evidence showing a conesion or unity between national headquarters of the BPP and its chapters and affiliates.

"Information regarding the shipment of BPP newspapers and other publications falls within the above categories and it is essential that every effort is made to develop full and complete details concerning such shipments. This should include not only the ascertaining of information contained on shipping papers and invoices but; whenever possible through established sources, the confirmation of exactly what is included in the shipment.

"It is anticipated that in the event of prosecution of the BPP, it may be extremely important to be able to conclusively prove that a specific BPP publication containing revolutionary doctrines was in fact shipped by the BPP to various BPP members and/or supporters. Accordingly, it is essential that this Bureau develop evidence of this nature in order to support possible prosecution of the BPP..."

San Francisco does not desire an answer to this communication. Information that is developed concerning instant shipment should be made a matter of record and included in your next BPP report and/or any other appropriate communication.

RACIAL MATTERS - BLACK PANTHER PARTY

On September 25, 1970, SF T-16 reported that an unidentified individual from North Carolina had traveled in various areas of North Carolina and in addition, had talked to someone in Atlanta, Georgia, concerning getting a train in connection with the Revolutionary People's Constitutional Convention. This individual was reportedly to attend a staff meeting to be held in New York on September 26, 1970.

In addition, NY T-66 reported that (PHONETIC), a Black Panther party member functioning out of Winston-Salem, North Carolina, had traveled in cities throughout North and South Carolina, attempting to create interest in establishing BPP community centers and to raise money for the convention.

Salem, North Carolina, as JULIUS WHITE CORNELL, JR., the Defense Captain of the Winston-Salem National Committee to Combat Facism (NCCF), a BPP affiliated group.

ENCLOSURE

RE: REVOLUTIONARY PEOPLE'S CONSTITUTIONAL CONVENTION, ORGANIZED BY THE BLACK PANTHER PARTY (BPP)

JULIUS WHITE CORNELL, JR. was a section leader in the Winston-Salem NCCF and had attended a "staff meeting" over the past weekend in New York. (It is noted this would have been the weekend of September 26 - September 27, 1970.)

On October 9, 1970,

became aware of two vehicles with New York State tags on them. These vehicles spent three or four days in the Negro area of Lumberton and contained numerous occupants. They were not identified nor were the license plates copied down. On or about the first of October, these vehicles had disappeared and the following sign was erected on the yard of BETTY JEAN MG NEAL, 817 Fairmont Road, Lumberton, North Carolina: "Revolutionary Peoples Constitutional Convention, power to the black man, kill the pig. Black Panther Party." During the weekend of October 3 - October 4, 1970, meetings were held with groups of Negroes at Lumberton Recreation Center, and also at the house of unidentified Negro male, residing at 813 Fairmont Road.

On October 9, 1970.

that unidentified individuals were in High Point recently attempting to recruit Negroes to go to the Revolutionary People's Constitutional Convention.

indicates that fare, food, and housing will be taken care of and there is some indication the group will go by train.

RE: REVOLUTIONARY PEOPLE'S CONSTITUTIONAL CONVENTION, ORGANIZED BY THE BLACK PANTHER PARTY (BPP)

On October 10, 1970,

that organizing teams from the BPP had gone to Raleigh, Durham, Fayetteville, Lumberton, and Charlotte, North Carolina, attempting to gain support for the BPP conference to be held in Washington, D. C. 12

A characterization of the Black Panther Party is attached as an appendix to this memorandum.

On October 9, 1970,

made available the following flyer
which is being handed out in the Negro community of Winston-Salem:

TOWARDS A NEW CONSTITUTION

REVOLUTIONARY PEOPLE'S CONSTITUTIONAL CONVENTION
WAShington, D.C. november 6-10

r 400 years now, Black People have suffered an proken chain of abuse at the hands of white America, r 400 years we have been treated as America's footool. This fact is so clear that it requires no arguitation.

For further information contact the Revolutionary People's Constitutional Convention Information Center nearest you.

The Revolutionary People's Constitutional Convention has been called because it affects all people living in this oppressive society. The Black Panther Party takes the position that the present Constitution has not, is not, and will not serve the people. In order that the people be guaranteed the highest form of living in the present affluent society; we will have to combine our energies in order that we have land, food for our hungry people, decent housing, education, clothes, and justice and peace.

BLACK PANTHER PARTY,
Also Known As
Black Panther Party for Self-Defense

According to its official newspaper, the Black Panther Party (BPP) was started during December 1966, in Oakland, California, to organize black people so they can take control of the life, politics and the destiny of the black community. It was organized by Bobby Seale BPP Chairman, and Huey P. Newton, BPP Minister of Defense. Newton was sentenced in 1968 to serve 2 to 15 years after being convicted of manslaughter in connection with the killing of an Oakland police officer

The official newspaper, "The Black Panther," which further describes itself as the "Black Community News Service," states that the BPP advocates the use of guns and guerrilla tactics in its revolutionary program to end oppression of the black people. Residents of the black community are urged to arm themselves against the police who are consistently referred to in the publication as "pigs" who should be killed.

"The Black Panther" issue of September 7, 1968, contains an editorial by BPP Minister of Education, George Mason Murray, which ends with the following:

"Black men. Black people, colored persons of America, revolt everywhere! Arm yourselves. The only culture worth keeping is a revolutionary culture. Change. Freedom everywhere. Dynamite! Black Power. Use the gun. Kill the pigs everywhere."

Included in the introduction to an article appearing in the October 5, 1968, edition of "The Black Panther" is the statement "...we will not dissent from American Government We will overthrow it."

Issues of "The Black Panther" regularly contain quotations from the writings of Chairman Mao Tse-tung of the People's Republic of China and feature Mao's statement that "political power grows out of the barrel of a gun."

The national headquarters of the BPP is located at 3106 Shattuck Avenue, Berkeley, California Branches have been established at various locations throughout the United States.
